If there is anything we can do for your team please let me know. I am a diehard Janet & Leigh fan. We had the most spectacular day with them [at the winery].” – *Deborah Chatelard, Bistro Maison, McMinnville, OR*

Your new project reminded me that we all have the opportunity to take action when it comes to bettering the lives of those in need. The gift that you are offering to the community in Cambodia will not only address the more immediate needs of clothing, food and shelter, it will go a long way to empower young minds to achieve their true potential through education, which ultimately leads to a better quality of life.” – *Connie Ko, CA*
