What You Were Saying About Mollydooker in 2007!

April

"I love sharing Mollydooker wines with my friends. Each and every time I do, more fans are created. Once I tried it [the Boxer and Carnival of Love], I think I bought every bottle left in Florida. I am very much looking forward to the 2006 releases. As usual it is almost as much a pleasure doing business with you as it is drinking your wine. Thanks again." - **Hugh Cook**

"It's really great to deal with a company that actually understands customer service...it's so rare these days. I put my initial order in, but I'm starting to think that's just not enough ;) - Robb Gonyer A recent friend of ours has really got us hooked on collecting. Our collection went from probably 50 bottles to 250 in just a few months. It's funny that with all the wine we have, my favorite is The Boxer, and my wife's is Enchanted Path." - **Robb Gonyer**

"I just wanted to say that there are a number of big fans of the Marquis wines here in Atlanta. We have been buying since we started getting into wine, and we've bought and shared with coworkers and neighbors many, many bottles of wine made by you. Recently, we've opened a lot of the Boxer and done the Enchanted Path and Carnival of Love side by side. All in all, your wines have brought a lot of pleasure over the years. Thanks for making them, and we'd love to see you in Atlanta some time." - **Conrad Lautenbacher**

"I am president of the Phoenix Wine Society. We have had many Australia tastings and Sparky always shows well. Our groups' all-time favorite Aussie wine is his 2002 Shirvington. Best of luck to everyone at Mollydooker!" - **Don Van Hook**

"Any chance of getting any more of last year's Boxer? It's been my favorite wine ever! I only have 9 left." - **Robb Gonyer**

"I just got home and received the FABULOUS poster you sent me! Thank you so much! My neighbor is selling a non-alcoholic beverage call Mona-Vie and it's suppose to be healthy and have a lot of fruit in it. I told my neighbor I would rather spend \$300 on a case of Molly Dooker. Molly Dooker is good for the heart and spirit, plus it's made with fruit, too!" - **Ann Cappe**

"I have had the Integrity and I thought that those were some fantastic wines. And this you say is even better? Unbelievable. The anticipation is building. I think your Mollydooker wines are great." - **Alexander B., New York, NY**

"Where will you be going in the U.S.? I've only tasted 2 of your wines (Carnival of Love and Enchanted Path) and there is no comparison!!! I've never tasted anything like them. I can't wait to taste more!!" - **Debbie T.**

"A friend of mine and I placed a nice order for your 2006 wines and we are anxiously awaiting the arrival. We are both Mollydooker fanatics." - **Mike S., West Chester, PA**

"Drinking your wines every day has been a great part of my life, too." - **James Z. Charlotte, NC**

"Wow!! Since the first time I tasted the great '98's, I have loved your wines. I do not know how you keep improving over your past wines, but keep it up. Your wines make people happy. Even more so if they have had contact with someone from the winery, at a tasting or other event." - **Ron, Agoura Hills, CA**

"Looking forward to seeing the artwork for the new labels and definitely hope we can catch up when you travel to the US. You guys sure know how to craft serious wine and still have fun!" - **Steve S., Richmond, VA**

"I wish to thank you for starting the website and providing us with a way to purchase and enjoy your delicious wines." – **Dave Weiner, NJ**

"I look so forward to your new vintage of wines. I truly am a fan and cannot wait to taste my next bottle."
– **Tyrone K., Seattle, WA**

"You're the BEST. My wife and rest of the gang had dinner at Bobby Flay's at the Borgata. I saw Xavier [sommelier], and he loved the poster almost as much as he loves your wines." – **Steve D., Philadelphia, PA**

May

"Every year, I declare a moratorium on buying more wine. My cellar is at 200+ cases. People like you guys keep making wines that make me break my declaration. It was certainly a surprise to receive a phone confirmation of my order. It was really great to talk to you. It's great to know that regular folks still are part of the wine business."
– **Clen C., Chicago, IL**

"Hi Sparky, thank you for the phone call. I'm sorry if I was a little tongue-tied, but the call caught me off guard, as I never expected a personal phone call from the producer of my favorite wines, wines I consider some of the best in the world!! I'm really looking forward to the '06's, as I'm accustomed to the high quality of your product over the years." – **Bill Z., Yorktown Heights, NY**

"About once a week there is a group of us who meet and taste different wines. Isaac had heard about my passion for Two Left Feet and The Boxer and was trying to find more of it, which is next to impossible here in Southwest Florida. He stumbled across Enchanted Path and Carnival of Love and we did another tasting. WOW!! We then purchased 3 cases of each. Now our wine group is growing by leaps and bounds and you now have a fan club. I already have an order from 1 person for about 7 cases and Isaac and I have not even got started thinking about how much we want to buy. As many people that we have wanting your wine, I should consider being a distributor for you here!! – **Bob B., Naples, FL**

"I love the way you and Sarah work the wines to get the best out of the grapes and the process. It seems to be a perfect combination of chemistry and food science. About the labels....pure genius. I never put the 2 bottles together (Path and Carnival) until I read about the labels. That is really a 'step beyond' and makes the Artist series of some winery labels seem pedestrian." – **Stephen D., Philadelphia, PA**

"Visiting Australia is on our 'To Do' list and your winery is our first stop." - Scott and Debbie P., Trabuco Canyon, CA "I am such a big fan of your impressive gifts that you provide us with! We love your wine! I have been a follower since the Marquis Philips days and continue to drink on." - **Paul A., Long Beach, NY**

June

"I have to have it." - **Lou Boxer**

"I was able to get to a tasting last night with Sparky – a delight to be sure! I really enjoyed his presentation – one of the most educational wine tastings I have been to...as a fellow Mollydooker :-), and a guy who owns a marketing and print company – Sarah has a job here anytime she wants! Great event, great wines – great marketing! One thing that blew me away was the Mollydooker shake – never ever have I considered shaking a wine like a martini! Cheers!" - **Ray K., Naperville, IL**

"I truly enjoy your wines and have become famous in my neighborhood for my discovery of your product. Last year I cleaned out Manhattan Fine Wines, in the Los Angeles area after having tried a bottle of the Boxer. I had a funny experience in that I/my family often vacation in a small town called Langley, Washington State. I walked

into the local wine store and asked off-hand if she had any Mollydooker. It so happened she had just received her entire allotment of 1/2 case that day. I took it off her hands and enjoyed it with my in-laws for the next week. Thanks for the wine and the lack of stuffiness often seen with such a high quality product." - **Kevin C., Palos Verdes Estates, CA**

"It was great to meet you [Sparky] at the wine tasting at Newport Beach and to sit and dine with Sarah. You both are fantastic people! The wines are very impressive and I have already increased my orders for Carnival of Love and, of course, Velvet Glove. Thanks again for the great times, good food and amazing juice!" - **Lee C., MTV Networks, Santa Monica, CA**

"Thanks again for the great event in Chicago. Your wine is indescribable and I am very happy for your success." - **Richard R., Neenah, WI**

"Thank you for all the great work done on the Mollydooker wines. We were introduced to Mollydooker only one year ago, and our customers loved the wines immediately. We do about 30 Wednesday flight nights per year at the wine bar. The event we hosted with Sparky on June 13, 2007 [to celebrate the 2006 vintage release] was a huge success. We sold EVERY bottle that night, either by pouring it in the flight or selling it at retail. Then we took orders for wines that people wanted to purchase after we ran out. This was perhaps our most successful event ever in number of bottles sold in our 4 year history." - **Debbie Zachareas, Ferry Plaza Wine Merchant, San Francisco, CA**

"We received the wines and have already shared a Boxer and The Maitre D with some friends. As expected and anticipated they are great. Everyone flipped over the Maitre D. I wasn't ready to share the next level of wines just yet!" - **Mike & Debbie W., Plant City, FL**

"Thank you so much for the delivery upgrade. I purchased these wines as a Father's Day gift. My dad recently attended a luncheon/tasting you hosted in D.C., and he couldn't stop raving about how great it was the Sunday after. I truly hope he shares some of his present with me because your wines sound absolutely delicious!" - **Kelly K, Richmond, VA**

"What an absolute pleasure it was to meet you. The comments I had read about what a nice, down to earth person you are didn't do you justice. Your wines are spectacular - but I already knew they would be - and I've already placed an order for more since then. I hope there's still some left!! They are all 100's in my book!" - **Debbie T., Centreville, VA**

Sparky, it was a pleasure to meet you yesterday. You and your wines are spectacular and I really enjoyed the education. I've been a fan [of your winemaking for] several years and now I'm a big fan of Mollydooker. I've already placed an order this morning. All the best and WOW!" - **Scott E., New York, NY**

"We had a bottle of the new 2006 "The Boxer" and it was even better than I remembered! Cheers!" - **Jonathan J., Lake Grove, NY**

"Received your wines yesterday - you over-nighted the shipment and they arrived in perfect condition! The bottles were still cool- almost cold. Service beyond expectations! That is first class! Thanks so much." - **Al & Deb W., League City, TX**

"We had one of the best kinds of problems this week. I got the message about the wines shipping this week. Since it has been close to 35C here in Virginia I was a little worried. I just wanted to drop a line and say thanks for the wine and the shipping upgrade - they arrived cool to the touch and ready for the "Mollydooker Shake"! - **Nick & Susan, Richmond, VA**

"Along with myself, I have three friends who have taken to the Mollydooker wines so much so that we bought out the remaining allocations of not just one, but two wine stores here in metro Atlanta. I believe that we just may have bought ALL of the allocation of the Blue-Eyed Boy. I realize that might restrict the reputation of your wines, but our other friends just can't believe the quality and taste of your wines, and that we actually have them!" – **Buddy Hodges, GA**

"I don't believe I have ever seen a wine phenomenon/frenzy like this before! Oh my goodness, it's just crazy!" – **Chuck Furuya, Master Sommelier, Hiroshi's, Honolulu, HI**

"We picked up a case of Mollydooker wines which included the Two Left Feet, Boxer, and the Scooter Merlot and they are all fantastic! I recommend them to all my friends across the country and have had several buy your wines to take to a variety of events only to be applauded at their wine selections. You make life both enjoyable and easy—buy Mollydooker! And your artwork is to die for..." – **Mike and Angela Cerkovnik, PA**

"The Boxer is a very nice wine, albeit young...I am quite impressed and will order more of your fine product. I told a buddy about you folks and he got a case of Boxer, and preordered 3 Carnival of Love, and 3 Velvet Gloves. I am jealous about those VGs. He has no kids. LOL!" – **Michael Frezza, MI**

"I was unable to understand the world's infatuation with wine. I had been introduced to several high quality bottles before, yet my passion for the vine remained dormant. That all magically changed a few days after my 24th birthday in a Las Vegas restaurant with the help of one smooth pour. I will never forget the aroma, the flavor and the blessing that was The Carnival of Love." – **Sean Adelson, Canada**

"Good morning to you all, the wedding is over. It was spectacular, but I will only talk to you about the wines. We served the Mollydooker "The Boxer" and "The Violinist". They were a hit beyond description. The people could not get over these two wines. All evening long people were coming up to me asking what they were and where they could get some. My wife and I were very excited both about our son's wedding and the response that your wines received from our friends and family. These wines sure made us look good. Thank you for making such incredible wines." – **George Dubiecki, Los Angeles, CA**

"The wines are fabulous and worth twice the price." – **Peter, Liquid Party Works, CA**

"Sparky, I have been working my way through the 2006 Mollydooker range - again, they are absolutely amazing! You and Sarah have outdone yourselves, to the point I just went yesterday and bought another 18 bottles!" – **Bryan Canterbury, OH**

"Received the wines and so far I have tasted the Two Left Feet, Boxer and Maitre D. All that need be said is "AWESOMEI!!" I'll probably be back for more..." – **Bob Phillips, MO**

"I found out about Mollydooker wines with the first release. I was in Palm Springs area at a restaurant that shared the Enchanted Path and the Carnival of Love with my wife and I. Fortunately for me that was before Robert Parker's review came out. I came back to LA after that weekend and called all my wine friends and family members to tell them to go and buy them before Parker's review was released. Believe it or not because of that tasting in the desert that weekend, my friends and family and I bought approximately 35 cases of those wines. (12 packs). They have been thanking me ever since." – **George Dubiecki, CA**

"The juice is fantastic!" – **Wayne Mitchell, FL**

"My delivery of 2006 came today and, in fact, just started on the first case. The Boxer was outstanding!" –

"What a wonderful WOW! night with you, your wines, and friends in Charlotte. Thank you so much for sharing your lives, wines and passions with us last night. It was such a pleasure to meet you and enjoy the rich education and discussions through your presentations and then throughout dinner as well." – **George & Lynn Kuttruff, NC**

"We have received your 2006 wines at our shop in Columbia, SC, USA. To say that they are amazing would simply be an injustice. They are fantastic! The merlot? It is as though we are drinking a blueberry pie! The Boxer? It deserves a higher rating than what Robert Parker gave the last vintage. Thank you for having a true appreciation and dedication to what Australian wine should be." - **Joshua M.,**

Last year, at a local restaurant, I ordered a glass of shiraz wine. It was so fabulous, I had to ask them what the name of it was and they told me Mollydooker "The Boxer". When I tried to buy a bottle at the liquor store, there was none left because it was so popular. I understand there is a 2006 vintage - how wonderful! I can't wait to try it!!! – **Carmel Staunton, MA**

I had a wine tasting a couple of weeks ago and opened up a 2005 Carnival of Love against the last vintage of Penfolds Grange and Carnival of Love took it down "without a fight." The fruit and length of COL was definitely better. You can quote me on that one. – **Ron Milton, MA**

I tasted The Boxer, Two Left Feet and Blue Eyed Boy with a few friends of mine. They were all outstanding. The Blue Eyed Boy was unbelievable. It was thick and full of flavor. Once the wine passed my lips, the fruit proceeded to coat my entire mouth. And the flavors did not go away immediately after swallowing; it lingered on for a long time. This is definitely a wine that will be enjoyed by all. Unbelievable Wine – **Rusty Sly, CA**

Hi the web site looks great. The new wines are delicious. I particularly like the Goosebumps, Blue Eyed Boy and the new Boxer. I think it is even better than last years. I cannot wait to try the fall wines. Keep up the fine job. – **Curtis Polk, MD**

Congrats on the Wine Spectator scores. All your wines continue to score well with me and my friends! Keep up the good work! - **Jeff Asbury, IL**

I am NOT in the habit of writing e-mails to winemakers but I should mention how much I have enjoyed all of your wines - of which two previous efforts are STILL the best two wines I have ever tasted. I hope to meet you both some day and I wish you continued success as your passion for wines that make you go "WOW" continues." - **Frank Nerney, NJ**

My husband and I were fortunate enough to experience the Carnival of Love and The Boxer last year when my sister shared them with us. We were immediately spoiled and have never tasted any better wines. I bought two cases of The Boxer from your website in Feb. We received them at the end of June and now they're gone, because we have, in turn, shared your wines. Thank you for opening your website to direct orders from individuals like us. - **Tanis and Ric Lilygren, VA**

While the quality of wine made me a customer for life, your excellent customer service has made me an evangelist for Mollydooker. - **Berndt von Wahlde, FL**

We had a bottle of your Boxer the other day on my wife's birthday and she said without skipping a breath and without hesitation "order two cases." She has never, ever said that. People who know my wife would pass out if they heard it. – **Sandy Treutler, NY**

Sparky, it was great to hear from you - I really enjoy the wines. I've bought them for awhile, just not direct - but down to 1 COL left and needed some more. Thanks for the email. Back to grape sampling at Keefer. - **Adam Lee, Siduri Wines & Novy Family Winery, CA**

We have sent out en-primeur offers on your 2006 wines and our clients are enthusiastic. We had orders for 1100 bottles in two days. - **Steen H. Rasmussen, www.thewinecompany.dk, Denmark**

I think your wines are some of the best I have ever tasted (been drinking wine for about 33 years) so keep up the great work! – **Dave Westmoreland, NC**

I tasted all the 2006 reds with Sparky on Sunday and they were awesome. – **Kevin Box, TX**

My words are truly inadequate to laud the Marquis Family (that includes staff) and the Mollydooker wines. Sarah, Sparky, and Janet are superlative people who just happen to present superlative wines (along with themselves) to the world. – **Jim Tams, TN**

I'm a huge Mollydooker fan and I have turned a lot of my friends onto your wine! – **Matt Sames, NY**

I have enjoyed all of your 2005's and can't wait to break into my stash of 06's. I had a party the other evening for some special friends and poured a few bottles of the Carnival of Love. Let's just say, I'm a goddess in their eyes now!! Many thanks! - **Leslie Kravet, NY**

Last year a friend of mine who works in a Maryland, USA wine store told us about your wines. His store got an allocation of 18 cases - but not a bottle hit the shelf. I love fruit-in-your face wines and bought an assorted case. What amazing wines!!! This year I bought 4 cases and I'm still searching around to find some Violinist for those times I need a great starter wine and have put in my request to my local sources for a few bottles each of Carnival of Love and Velvet Glove. - **Dave Matz, MD**

I hope you guys come to Ohio close to Dayton, I would love to meet you. I think if my wife and I ever get a chance to take a wine vacation Australia is definitely the place I would want to go.
